KIDTIVITY LAB

Small steps. Everyday practice.

Two-week learning observation log

Notice the task, what helped, and what your child remembered later. No style labels needed.

Child: _____ Dates: _____

Day	Task / goal	Minutes	What helped	Where they got stuck
1				
2				
3				
4				
5				
6				
7				
8				
9				
10				
11				
12				
13				
14				

Later check: What did they remember after a few days?

One adjustment to try next: _____

Keep it informal. Share recurring difficulties with your child's teacher.
